City Committee Probes Four State Freeway Routes

San Francisco Roadblocks DC Bid For School

San Francisco city-county supervisors Tuesday again failed to budge in opposition to Jefferson Elementary District's bid for the General Pershing school site.

In the hour-long session, SF officials met to consider the Daly City adjusted plan for the critically delayed school, some acreage of which must lie in San Francisco.

Supt. H. Z. Weibel said the JESD agreed to reduce its SF-side needs from about 5 to 2 acres for the DC school to eliminate San Francisco opposition. But the SF men Tuesday merely had "no comment" and referred the new Pershing plan to their city engineer for study.

The Daly City quest for the $400,000-plus state loan to buy the site is roadblocked by the SF protest. The state refuses to release the funds until the controversy is resolved.

Weibel, his staff and trustees have exhausted all possibilities to speed the school. They cannot move the site in any other direction and still provide an adequate facility. The state does agree on this point.

'UNLEASHED' DOGS CAUSE WIA UPROAR

Westlake Improvement Association, much hounded by residents because too many dogs were roaming at large, Monday night moved to ask the city for stricter enforcement of the dog leash ordinance.

Several homeowners complain that canines are tearing up lawns and disturbing tots. So the city fathers will be so informed by WIA edict.

Board chairman Cass Norton appointed Directors Glenn Zwicker and newcomer Emory Schoolcraft to meet with residents of Fairway drive to iron out safety measures for the much-traffiked streets. Folks in unit 3 have long sought new devices to protect their children from mounting traffic. And these people also are against the opening of White street, linking Broadmoor to the Westlake shopping center.

In other business, directors asked the city to clean up the street in front of 750 Beechwood, where workers dripped red lead paint from a power pole onto the pavement; okayed purchase of a photo copy machine, and denied request of Wayne Stevens 3 Skyline drive, Palisades, to construct windbreaker eight feet high. Association held him to six-foot city ordinance restriction.

Edgemar Road Project Causes Zita 'Hesitation'

Realignment of old Edgemar road—a project to be shared by the city and subdividers—appears the only factor delaying Zita Corporation from selling the 12.85 acre M. Pauline Brown elementary school site to Jefferson Elementary District.

Notified by trustees that condemnation action would be executed immediately if they refused to negotiate, Zita officials this week informed School Supt. H. Z. Weibel that they were willing to discuss the transaction. But they did say the road realignment was prompting their hesitation, Weibel noted.

Trustees also want immediate commitments from the Zita firm for two additional JESD sites within the St. Francis Heights subdivision. Again, they informed Zita that condemnation action would be ordered if there is further delay.

Cost of the Brown site to the school district will run about $140,000, the money having already been appropriated by the state.

OFFER REWARD FOR POLITICAL SIGN 'MOVERS'

A $100 reward was offered today by the Becker-for-Judge Campaign Committee to anyone who reports persons who illegally remove or destroy campaign posters and signs placed by "and candidate for public office."

Charles Becker, resident of Daly City, today said he agreed with the committee, which reported that "many signs throughout the area have been wantonly destroyed."

"Candidates are legally entitled to post signs and by law can ask prosecution and conviction of anyone who removes or destroys these publicity posters in any area," Becker pointed out.

"I am certain none of the candidates are involved in these malicious acts," he continued. "And I think it is about time something be done to prevent such occurrences."

Woman Charges Bedroom Raid By 'Cameramen'

A young Westlake housewife Saturday told police that two men invaded her apartment about 2 a.m. and took pictures of her while she was sleeping nude in bed.

One of the intruders, she said, blurted as they left: "This will cost you $1000."

Police said the woman reported the incident at 10:30 a.m.

Her husband, she said, was out of town on business.

Woman Badly Hurt As Horse 'Throws' Her Near Westlake

Marie J. Savage, 24, employed at U. S. Marine Corps Depot in San Francisco, was seriously injured Saturday afternoon when the horse she was riding threw her to the beach below Mar Vista Stables bordering Westlake.

Police Officer Dick Phillips dispatched a jeep to remove the woman from the beach to Junipero Serra Hospital. Later she was transferred to Oak Knoll Naval Hospital.

Extent of her injuries was not disclosed.

A ROSY INCIDENT?

It All Started When The DC Man Passed Another Car 'Illegally'

Robert E Colburn, 21, of 1067 Hanover street, got into a bit of dangerous though stylist trouble in the big town Tuesday.

Colburn, according to San Francisco police, was driving a rose-colored Thunderbird and passed another car on the wrong side near City Hall. Officer James Kane promptly gave chase, but the young man was not to be stopped.

He sped around the city headquarters, thundered into a dead-end street, left the car and ran off.

Kane fired warning shots over Colburn's head, left his cycle, jumped in with another driver and finally grabbed Colburn a few blocks later.

Colburn said he had "borrowed" the car from a friend.

Police checked. The flashy auto had been stolen May 3 in Millbrae.

So Colburn, recently discharged from the service, was booked on suspicion of car theft, reckless driving and driving without a license.

Six Sites For Fourth High School

Architects Falk & Booth Monday night gave high school trustees a detailed report on six possible sites for Linda Mar High school—a decision which hinges on State Department of Finance approval for "adequate" acreage and "feasible" location for students.

Supt. Ed Morgan said the district needs 35 to 40 useable acres for the planned fourth school, which will be built after the Sharp Park plant. The latter covers 49 total acres, 30 of these useable, bordering the freeway and south of San Mateo avenue.

Of the six sites surveyed, but still requiring test borings to determine sub-surface soil stability, the Piccardo-Higgins and Russo-Bernardi strips appear most practical. But many legal matters—ownership, creek conduit problems, and actual negotiations—need to be firmed before the district can launch both the Sharp Park and Linda Mar projects by entering the state aid program.

State Decision

Trustees authorized the Linda Mar architect to get state aid recommendations on the six sites. The board will weigh this report, then select the best site in view of timing, stability and its ability to accomodate enrollment.

Linda Mar, according to Morgan, definitely will be the bigger school, since heavy subdivision development is planned in this southern section of Pacifica.

Trustees can't submit final documents for state aid until they are sure of the site and size for the Linda Mar plant. Maximum enrollment for Jefferson, Westmoor and the two Coast schools depend on Linda Mar site determination and acceptance.

In executive session, trustees reviewed State Highway appraisals on property south of San Mateo avenue, which will be bought by the state to replace about four acres the district must give to the State for its freeway in Sharp Park. The district also had an appraiser size up the land of the 20 property owners, and the latter will be mailed the district's offers by this Friday.

There's Still One Who's Missing

REUNION joys thrill relatives of Abe Schwartz (seated second from left), Westlake Delicatessen owner, as his sister, Hana Vais (front row) recently arrived on visa from Israel. Abe and his brothers, Mark and Harry (foreground), hadn't seen Hana for almost 50 years, when the family lived in Roumania. Behind the Schwartz brothers (left to right) are their wives, Gertrude, Marsha and Celia. Mark's daughter, Esther, stands behind Mrs. Vais. Fourth Schwartz brother, Iles, "disappeared" in New York about 1927. The family still seeks clues to his whereabouts. THE RECORD photo

BPOA TO PICK NEW OFFICERS THIS THURSDAY

Six vacancies on the board of directors of Broadmoor Property Owners Association will be filled, and a new slate of officers elected when the group holds its 11th annual meeting at the community center, 714 White street, this Thursday at 8 p.m.

The vacancies will be filled from the six candidates polling the largest number of votes, with the top three winners serving three-year terms, the next two serving two-year terms, and the sixth successful candidate serving a one-year term.

In announcing details of the meeting, Edward J. Lee, BPOA president, pointed out that the elections will be preceded by annual reports from the presi-

NORTHBOUND LANE

Edgemar Freeway Will Open May 21

Completion of a new expressway between Edgemar and Daly City was announced by State Assemblyman Louis Francis today. The new highway will replace the narrow, winding portion of the Coast Road along Thornton Bluffs which has been frequently closed during winter seasons.

Dedication ceremonies will be held at noon on Wednesday, May 21. The ceremonies will be jointly sponsored by the cities of Pacifica and Daly City and by the chambers of commerce of both cities.

In a report requested by Francis, Assistant State Highway Engineer B. W. Booker, the officer in charge of District 4 of Division of Highways, pointed out that the new construction was completed in approximately 65 per cent of the allotted time. He explained to the state legislator that the construction was complicated because the controlling item at all times was the construction of the interchange at Skyline boulevard and it was necessary to provide traffic service without interruption.

The heavy recent rains had

CHAMBER WANTS JUNIOR COLLEGE SITE AT COLMA

Daly City Chamber of Commerce has forwarded to the north county junior college site committee its recommendations for a site off El Camino real, in back of Colma Town Hall.

The site committee recently narrowed its list of suitable sites to two—both west of Junipero Serra and south of St. Francis Heights subdivision.

The chamber news release said the site it recommends represents "a fairly central location on two major arterials and also is far more suitable than any location off Skyline boulevard."

Committee 'Holds Off' Resolution

City Committee convened again Tuesday night to resolve the muddled freeway situation here—backed by new data from State Division of Highways on four proposed routes.

Most of Tuesday's two-hour session was devoted to a report by Hahn-Wise-Barber consultants on their recent survey and recommendations on freeways. The committee, before an audience of 75 residents, asked questions and further discussed last week's special committee meet with State Highway officials in San Francisco.

At last week's conclave, B. W. Booker, Assistant State Highway Engineer, informed the Daly City delegation that in addition to the advanced studies on Alternates A and B (Alemany and Junipero Serra), the State has begun preliminary studies on two more routes—outside DC, Alternates G and H.

October Probable

Booker said it won't be until this fall (probably October) before the state has all cost and map data necessary to call public hearings here early next year on its freeway proposals. He emphasized that "the people of Daly City will have a chance to be heard fully and their wishes will be carefully considered."

Asked by Councilman Joseph Verducci if freeways proposed here were "prompted" by traffic situations outside of Daly City, Booker stated, "these have no bearing on the situation."

According to Booker, the State is now studying the four alternates, which involve four east-west routes, and three north-south courses along Junipero Serra.

Alternate A would cut through Westlake, B runs down Junipero Serra, G would involve Stanley drive down to Skyline, and H is similar to Alternate B—some 2000 yards south of the B route and near the Chinese cemetery, south of St. Francis Heights subdivision.

Booker, who hinted Alternate A would be the least practical and most destructive to business and residences, suggested that the B or H routes appear most feasible, a City Committee spokesman said.

One thing is certain, however, only one route will be selected, Booker declared.

City Survey

The Hahn-Wise-Barber report, paid for by the city, recommended that both A and B routes be opposed, but suggested a modification of the B route to run the freeway 300 feet west of Junipero Serra and farther south of the McKeon subdivision.

Minus its chairman, Councilman Francis Pacelli, the City Committee by 8-4 vote Tuesday night nixed Chamber President Vincent Murphy's motion that the city reject Alternates A and B and, in effect, leave Skyline and Junipero Serra as they are. Murphy's proposal seemed to allow provisions for routes G and H, provided these routes would not disrupt—too much—the status of Skyline and Junipero Serra.

The City Committee's next step in moulding policy on the proposed route is to summon a

Meter Man Tunes His Time

PARKING meter repairman Shelby Ross doesn't have much extra time on his hands, though that's his business, Daly City's one-man meter department, the Kentucky-born Westlake resident is in charge of about 400 city meters. He unloads the cash three days a week, then repairs damaged meters the rest of the time. Here since 1950, the meters cost about $57 each and are durable. And parkers get a break, too. Meters are geared so a little overtime is allowed even though the pointer indicates they have expired. THE RECORD photo

SPECIAL ELECTION

JESD Asks Tax Raise

Citizens' Committee supporting passage of the Tuesday, May 27, permissive tax election for Jefferson Elementary School District today intensifed efforts to inform voters of the need for "yes" at the polls.

The district asks approval of a tax increase—from the present $1.50 per $100 rate to a $2.20 per $100 maximum — to pay operating expenses the next four years.

The cost to each family if the tax hike is authorized by voters would amount to about $24.50 per year, according to Albert A. Polonsky, Citizens' Committee chairman.

He pointed out that the maximum $2.29 rate would not necessarily be asked the first few years, "but only when the need arises." In other words, if voters approve the $2.20 "ceiling" on May 27, they might not have to pay the $2.20 for two or three years.

Teacher Salaries

Out of the JESD's present operating budget, teachers and principals' salaries comprise approximately 65 percent of current expenses. The remaining 35 percent in operational funds goes for maintenance of school plants, transportation, books, materials and the like.

Polonsky said that because of the need for new teachers to handle booming enrollments adequately, the cost for salaries will increase from $965, 720 to more than $2 million in the next four years.

(Continued on Page 2)

SCHOOL BOARD

First meeting of May for trustees of Jefferson Elementary School District is scheduled next Wednesday night, May 14, starting at 8 p.m. at 48 Park Plaza drive, second floor.

Tonight's scheduled session on board policy handbook was called off, according to Supt. H. Z. Weibel. A quorum of trustees could not be mustered, he said.

SHERIDAN SETS 'MAY FESTIVAL'

Sheridan School will hold its May Festival in the school yard on May 14, from 10 to 11 a.m. Parents and friends are invited to attend and watch each class perform a folk dance.

Sheridan P.T.A. will hold an apron and a baked goods sale following the dancing.

JESD ASKS TAX RAISE

(Continued from Page 1)

District funds for "operational" expenses come solely from the $1.50 rate per $100 assessed valuation.

"Yesterday this tax rate was suffiencent," said Polonsky. "But today and tomorrow it is insufficient to meet district needs."

Bigger Classes?

If the May 27 election is unsuccessful, the district will not be able to hire new teachers, and classes, now averaging 33 students, will have to accomodate more pupils, putting more of a work load on current teachers and meaning less individual attention per student.

In 1956-57 here, the approximate local tax revenue per child in daily attendance was $126.09—the amount of money spent on each student to provide him with the necessary "tools" for education. The figure this school year dropped to $112.53, and it is anticipated that by 1961-62 this figure will have decreased further to an appaling $88.38 per student.

The district's successful bond and state aid election this year did not and will not bring funds for operational expenses. The latter can only be acquired by increasing the tax rate.

delayed the contractor from working his crews full time on the Skyline interchange, "main bottleneck" of the new highway. Multi-stage construction was required so that four steps had to be accomplished from grading a portion at a time to the final paving.

"On April 3, the southbound lanes of the freeway were completed to a point where they could be opened to traffic. We opened the same and took additional steps to expedite the completion of the northbound lanes," said Booker.

"The portion of the Coast road which will be superceded by the new construction is still a state highway and the division is still under an obligation to maintain it. Upon completion of the new facility, and the restoration of the existing road along the bluffs, however, the existing road will be relinquished to the cities of Daly City and Pacifica," concluded Booker.

Age-old methods of solar evaporation of sea water to make common salt, on the east shores of San Francisco Bay, have been brought up-to-date through modern engineering ingenuity.

COMMITTEE 'HOLDS OFF' RESOLUTION

(Continued from Page 1)

State Highway representative to its next meeting later this month (no date set at press time), Councilman Bob St. Clair and another city committee member this Thursday also will attend the State hearing down the Peninsula on the San Bruno-south freeway.

Last month the City Committee junked its earlier resolution opposing A and B and suggesting the state consider routing the freeway outside Daly City, along Stanley Drive in San Francisco.

Westlake Protest

Charles Santuccio, representing Westlake Improvement Association, sat in as an "observer" to the City Committee session Tuesday night, and said that his group will continue to fight route A and petition officials to adopt route B along Junipero Serra.

Santuccio, declaring that WIA felt it would be outvoted should it be represented on the City Committee, said WIA has petition signatures of almost 10,000 Westlake residents.

Santuccio said the association believes in independent action "since we figure the city committee votes will be stacked against Westlake."

"Remember, we represent almost 20,000 people," said Santuccio. "It is unfair that we might get only one vote when the city committee decides on a freeway resolution."

SIX SITES FOR 4TH HIGH SCHOOL

was tabled until next Monday's regular board meeting. Trustee Raymond Whitney said he wished to study the proposal at more length. Each teacher would average about $223 more per year if the hike were authorized. Also to be decided is the association request for reduction by one step in the 14-step district teacher salary schedule.

In other business at Monday's special meeting, the board:

1. Voted financial agreement with recreation departments of Daly City and Pacifica for summer program, which features use of Jeff High pool and Westmoor's athletic facilities. Morgan also said the district would cooperate to assist the Brisbane and Bayshore districts.

2. Selected board chairman Elio Fontana to hand out diplomas at Westmoor High graduation on Wednesday, June 11, and Mrs. Anna Eason to do likewise at Jefferson High graduation on Thursday, June 12. School lets out for other students on June 13.

3. Reviewed district's part in recently authorized two-year state survey on emotionally disturbed children. Six counties, including San Mateo, are participating. JUHS will survey all Jeff and Westmoor freshmen this year, then follow up on them next year when they are sophomores. Idea behind State survey is to determine frequency of emotionally disturbed cases at all school levels, kindergarten through junior college.

4. Learned from superintendent that this Saturday, he and Principals John Mongan and Glenn South will interview 17 candidates for position of district psychologist. A replacement for this to-be-expected job is needed for Miss Beatrice Moldrup, district director of testing, who will retire this June.

dent and the auditor. The association's financial statement will be released to the 1200 property owners who make up the Association membership.

Lee extends a last-minute invitation for qualified Broadmoor residents to serve on this year's board. Nominations were solicited in letters sent by the BPOA to its members two weeks ago. Further nominations will be accepted from the floor Thursday night.

So far, candidacies for the board have been filed in behalf of Lou Manis, 211 Village Lane, an incumbent whose appointive term expires this week; Robert Ellis, 447 89th street; William J. O'Neill Jr., 1044 Gilman; Vern D. Box, 767 Maddux, and Mrs. Dorothy Jackman, 739 Stoneyford. In addition, two other incumbents whose appointive terms are also expiring are believed to be possible candidates. These are John Surabian, 1799 Sweetwood, and Daly City Postmaster Vincent J. Murphy, 516 Midway.

Three incumbents staying on the board as holdover members are J. Robert Buchanan, 607 Manila Way, outgoing treasurer; Adriano G. Delfino, 1024 Washington, outgoing secretary, and Donald Williams, 411 88th street.

Every titleholder to property in Broadmoor is entitled to run for office, elect candidates, and vote in issues before the membership. No proxy votes are allowed under the association's articles of incorporation.

Hadassah Ladies Meet On Monday

Officers of the organization include Mrs. Donald S. Piercy, president; Mrs. Hugh Simmons, vice-president; Mrs. Seth Miller, secretary, and Mrs. Walter Michels, treasurer.

28 WESTMOOR STUDENTS TAKE 'MERIT' EXAM

Twenty-eight students at Westmoor High School participated in taking the National Merit Scholarship Qualifying Test, Glenn South, principal, announced today. The test was administered at the high school last week.

An estimated $5 million in Merit Scholarships and other awards are at stake in the national competition, now beginning its fourth year. Some $12 million in merit scholarships have been awarded in the first three years of the program.

The National Merit Scholarship Qualifying Test was a three-hour measure of educational growth and aptitude. Emphasis was on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

Westmoor students participating were: William Bennett, Stephan Doiron, Judy Johnson, Bob Rogers, Bill Tafuri, Nicola Whitney, Margaret Brant, Allene Downey, Mike McHenry, Gerry Kay Sigler, Don Traves, Claudia Williams, Bushard Willard, Janet Flint, Kathi Machlin, Mike Silberstein, Pat Wentzel, Karen Williams, Susan Damon, Ken Franges, Barbara Mitchell, Sandy Smith, John West, Mike Davis, Paul Hong, Terry Robison, Gaye Stromgren, and Carol Weibel.

3 Teams Chase VFW Cagers In Adult League

Three teams were bunched one game back of pace-setting VFW last week as the Daly City Adult Basketball League hit the homestretch.

Augie Bullwinkel's 17 points Tuesday night kept L. C. Smith (5-2) knocking on the door with a 75-56 win over Automotive Twins (1-6). Jack Dedermann of the losers was game high with 22. Dennis Starsiak had 13. Bill Atkinson's 14 was next best for the Smith five.

Native Sons went to 5-2 in the standings as Green Lantern (2-6) failed to show.

Hunter's Point Super on Thursday evening joined the second place deadlock by routing St. Francis Creamery, 90-62. Mal McCormick's 22 points led the romp, with teammate Doug North on his heels with 21. Vince Rocchie and John Steddin each tanked 16 for the losers, and Joe McDonald potted 14.

THE RIGHT MAN FOR A BIG JOB

Less than four weeks away, San Mateo County voters—a June 3 primary election.

Record and enthusiastic crop—will report to precincts for the

One of the most important posts to be decided is the job of District attorney.

We firmly believe Judge Thomas L. Bocci Jr. of Colma has the potential to handle the office with maximum efficiency.

A native of north county, the 35-year-old municipal judge offers an unchallenged record of achievement in his bid to unseat the incumbent.

Judge Bocci, a man of decision and action for the society he serves, is a tireless worker, capable, and devoted to the highest principles of his profession.

He is equipped with the needed assets and perspective which the role of district attorney must have if it is to be an effective agency of the public.

Bocci cannot win the election solely on his already solid north county backing. But his reputation for conscientious and constructive service has won him victory-bound backing throughout the county.

For many years, county "weight" has been concentrated in the lower Peninsula—an unfair situation that must be considered by voters.

The job of district attorney is a county-wide responsibility—with the welfare of the entire area—north to south, the objective of the man who holds the job.

We know this goal will be achieved if Judge Bocci is successful June 3.

Letters To The Editor

School Board 'Failed, Hedged' Woman Charges

Dear Editor:

I have read with interest several letters-to-the-editor in support of our school board which are suddenly appearing in THE RECORD.

It seems pertinent to me that these letters appear now, before election time, instead of during the period when Mr. Weibel's contract was being terminated.

The board either hedged or failed to answer any of the questions put to them by Martin Orloff, spokesman for the parents' petition group. Their legal right to fire our superintendent has never been questioned, but since they, as elected officials, represent the temper and will of the people, it is only sensible that they produce some definite reason for taking such a drastic step. If there is some dark secret, it was never revealed at any of the board meetings, and the people have every right to know and to have answered the questions they raised.

(1) Why was Mr. Weibel's salary raised from $12,000 to $14,000 in August, when the board claims to have lost confidence in him in June?

(2) Why does the board refuse to have an impartial evaluation committee go over the case? Is it because they do not wish to delegate their authority, as they contend, or are they afraid the committee might not support their claims?

(3) Why does the board ignore or fail to give any credence to the fact that the schools' personnel organizations lent unsolicited of his contract was made public?

All these questions have gone unanswered or have been met with legal double talk or evasion. If there is something more which we should know, then let us hear it now before election.

I would like to make it a matter of record that I have never met Mr. Weibel personally in any capacity. My decision to support him is based on a careful study of the situation, and, as one of Mr. Weibel's defenders and supporters, I resent very much the board's attitude that he in any way influenced me.

Incredible as it may seem to the members of the school board, an American citizen, having received an American education, is capable of forming his own opinions without influence.

Yours very truly,
Doris Plant

Gaudio Backer Lists 'Facts' Of Campaign

Dear Editor:

As Daly City manager for the Gaudio-for-Judge campaign, I want to make the following statement in the interest of all voters in the Northern Judicial District and in the interest of clean politics.

It is my opinion, based on press releases I have read, that voters are being deliberately misled with regard to the status and qualifications of several of the candidates who are running for municipal judge.

Mr. Fahey and Mr. Becker are both fine attorneys who are aspiring for judgeship in this area. I know that any misleading information has not originated with these gentlemen, but rather with some well-meaning, eager workers. Nevertheless, the voters must be told that none of the candidates are judges—that slogans such as, "A Judge for a Judge's Job" are not only misleading, but untrue.

All three of the candidates registered their occupations as "attorneys-at-law." At one time, many years ago, one of the candidates was a justice of peace, but never a municipal judge.

Further, the voters should be appraised of the fact that only one of the candidates can be considered a local candidate. Attorney Gaudio not only practices law in the area and hos for many years, but lives in the area.

A man should be elected to office on the strength of his character, on his integrity, and on what he can and has done for his community, and not on his cleverness with words nor his ability as an orator.

Sincerely,
Julius F. Castelan
Daly City Manager

Primary Election 'Decides' School For Palsied Kids

Dear Mr. Bradshaw:

El Portal PTA is working hard to build a new school for cerebral palsied and orthopedically handicapped children.

As you know, a $690,000 bond issue providing for such a school will appear on the June 3 primary election ballot as Proposition A. As school bond issues go, this one is quite modest and its passage is urgently needed to care for El Portal's 60 youngsters, a third of whom are housed in rented Sunday school classrooms.

Although El Portal is in San Mateo, it draws pupils from all over the county. The new school would be built on a county-owned site west of Belmont. It would save the county about $8000 annually in rent and add less than ½ cent to the county tax rate.

We know Marchbanks Publications is concerned with the education of San Mateo County's young people. We hope you will do your part to help our handicapped children become useful members of society, too. We urge your support of Proposition A in both your news and editorial columns.

Very truly,

Mayfred Long Dawson,

The last regular meeting of Jefferson High School PTA will take place this Thursday (May 8) at 8 p.m. in the Jefferson High School Little Theater.

In keeping with yearly tradition, the last meeting of the PTA is reserved for discussions by graduating students on the subject uppermost in their minds. This year, six seniors have chosen one of the most hotly debated and timely subjects—that of whether or not nuclear bomb testing should be continued.

Students who will take part in the panel discussion are: Sue Champion, Gail Duncan, Laura Robison, Ed Davis, Ray Wille, and Robert Wood. John Mongan, principal of Jefferson High, will be the moderator.

The evening promises to be of utmost interest to all parents, and they are urged to attend and hear their children's ideas on a very important subject.

Something For Everyone

By Samuel Chandler
Daly City Librarian

If you are an impatient reader, skip to the list of new books at the end of this column. Although you will not find there the titles of all the books the public libraries have received recently, you will see what kinds of books your libraries are buying for your pleasure.

Notice especially Pearl Buck's "Letter From Perking." Around the plot of this timely novel Miss. Buck has pictured the problems of a marriage of mixed blood and of the bitter fruits of Communist tyranny. In doing so she uses so much skill that many of her readers say that they actually feel the horrors that her characters experience.

If good humor suits your fancy try James Thurber's "The Wonderful O." What a zanny story of a plot to knock the letter O from its place in the alphabet. But freedom triumphs, and the great letter remains for all people to use freely. Maybe it sounds silly, but you'll like Thurber's dazzling verbal virtuosity.

But if serious non-fiction is your desire, you should read "The Naked God" by a former Communist named Howard Fast. Here is outlined the framework of the American Communist Party. Here at last is a real account of the obediance and the discipline that the leaders of American Communist force upon the idealist who swallow the doctrines of Marx and Lenin.

Of special interest to many readers is "Tell Me A Story," an anthology compiled by Charles Laughton. It is an excellent collection that interests the casual reader as well as the student of public speaking and dramatics.

As you can see from the list there are many new books waiting for you in your pubic libraries at 6351 Mission and 34 Park Plaza.

The Town Record

By Roy Hurlbert

First meeting of the spanking new Ben Franklin PTA had everyone but the schoolmaster overjoyed with gaiety.

Principal FRED SCHWEICKHARDT couldn't make the ribbon-cutting event. A long siege of pneumonia—which felled him for the count—was responsible.

He'll be back soon to handle the reins at JESD's biggest elementary school.

Hardly standing-room only Saturday when trout fishermen and boys bumped elbows at the backyard fishin' hole—LAKE MERCED.

Some 50,000 silvery trout have been planted in the pond. Get there early. Everybody and his brother has been clued-in there's plenty of catch.

Monte Dayton, Marchbanks' advertising fireball, broke the out-door seal up north Saturday. But he came home empty-handed. High water kept the trout from their doom.

Still sounds fishy to us, though.

J. W. Smith, our news-relayer from always interesting Brisbane, is in the pit for repairs. Few weeks ago he went camping, got a sliver in his foot, and was bitten by a snake—in one fell swoop.

The infection has docs puzzled. They don't know which did most damage—sliver or the viper. To add to the confusion, the snake wasn't of poisonous variety.

Any answers will be appreciated.

Councilman ED DENNIS, union president who's serving his third term at city hall, had more than campaigning on his mind before April 8.

His wife, HILDA, underwent major surgery. She was a sick woman. But hubby won, and her recovery has been rapid.

Local elementary school principal tells us she ran into an unusual parent the other day.

The guy started singing the praises of Karl Marx and Lenin, a couple of Kremlinites who should be forgotten.

Needless to say—said principal instructed the comrade to be on his merry way.

He picked the wrong party for propaganda!

HARTLEY APPLETON, elementary school board chairman and the missus enjoyed a most eventful month-long South America siesta, he relates.

They were a bit apprehensive during the relaxing trip. Flying over the rugged Andes mountains and needing oxygen masks because of the plane's altitude was one experience. Second was a few nervous moments near Havana, Cuba, which was in the throes of a revolt when the DC pair buzzed by.

On the Peninsula, booming BELMONT is astir 'cause a taxpayer is suing the city for allowing councilmen to hold dinner-business meetings on public funds.

San Carlos Lass Northern Cal's 'Posture' Winner

At a dinner in Oakland, last Saturday night, Miss Jeanne White of San Carlos, winner of competition for "Miss Correct Posture of San Mateo county," was selected over the best entries from Northern California district's to compete against Southern California's entrant at Fresno next month.

The contest has been sponsored by the California Chiropractic Association in connection with "National Correct Posture Week," May 1 to 7.

....Because of the part that correct posture plays in maintaining good health and the interest generated during the contest, the Chiropractic Association plans to make the selection of a "Miss Correst Posture of California" an annual event.

Donald D. Dickson, Daly City chiropractor, 6137 Mission street, helped to supervise the county contest.

REWARDED—Edgar W. Newlon, veteran San Francisco Scoutmaster, and Superior Court Judge Milton D. Sapiro, a member of San Francisco Scout Council's Executive Board, wear be-ribboned Silver awards symbolizing the highest honor bestowed on volunteer leaders by a Council for "distinguished service to boyhood." The awards were presented to this pair at the Lake Merced Annual Appreciation Dinner, last week at Westmoor High in Daly City.

'APPRECIATION DINNER'

SF Council Honors Judge Sapiro, Scoutmaster Edgar Newlon Here

Superior Judge Milton D. Sapiro, 55 San Leandro street, and a veteran Scoutmaster Edgar W. Newlon, 253 Victoria street, received from the San Francisco Scout Council its highest award, the Silver Beaver "for distinguished service to boyhood," at Lake Merced District's annual Appreciation Dinner, April 29, at Westmoor High School.

Superior judge for 11 years, Sapiro has been active in Scouting for many years and is currently a member of the Executive Board, chairman of the High Honors Board of Review, and Merit Badge Consuelor. He previously was active as a Cub Pack committeeman.

A well-known civic leader, he is a 33rd degree Mason, member of the Council for Civic Unity in San Francisco, was instrumental in the founding of JACKIE, a foster home program for neglected children; and in the establishment of the Youth Guidance Center.

Sapiro is also an active member of the American Legion, Loyal Order of the Moose, Fraternal Orde. of Eagles, Concordia Argonaut Club, Commonwealth Club and Golden Gate Breakfast Club, of which he was a past president. He has two sons who were both Eagle Scouts.

Newlon, a veteran Scoutmaster for 11 years and municipal bus driver, started his Scouting career as a Pack Committeeman with Pack 104, sponsored by West-of-Twin Peaks American Legion Post 233, and subsequently became Assistant Scoutmaster and then Scoutmaster of Troop 50, sponsored by Men's Fellowship of Pilgrim Congregational Church. He recently assumed the responsibility of Explorer Advisor for Post 50.

Newlon has won many honors in Scouting, including the Scoutmaster's key for outstanding service and leadership to his Troop, the Arrowhead Award, given to practicing successful Scoutmaster, and the Wood Badge, given for the highest training offered in Scouting.

Bike safety is the theme of the affair, sponsored by the Lake Merced Scout District, Lake Merced Optimist Club and the Daly City police department.

All bikes will be checked for mechanical safety, an animated cartoon will be shown in the OLM social hall, then youngsters will be asked to travel an obstacle course. Those who succeed will be presented with certificates for bike safety.

ST. MICHAEL'S CHURCH

Sandra E. Capetanich Weds Gerald Schuler

Father Coleman officiated on the evening of April 30 when Sandra Elaine Capetanich of Daly City recited vows with Gerald Thomas Schuler in an impressive ceremony at St. Michael's church in San Francisco.

A graduate of Jefferson High and former student at College of San Mateo, Miss Capetanich is the daughter of Mr. and Mrs. Mitchell Capetanich, 191 Winchester street. She is employed by Crocker-Anglo Bank.

The benedict, son of Mrs. Alberta Schuler of San Francisco, is serving with the U. S. Army. He is a graduate of Balboa High school.

For the nuptials at the 7 p.m. Mass, the bride wore a white ballerina-length lace gown, with scalloped neckline and long sleeves. She carried a white prayer book, and her beauty was accented by a finger-tip length white veil and a white orchid bouquet with lily-of-the-valley streamers.

Mary Galea was maid of honor, and Michael Farrell aided the groom as best man.

Special guests included Dr. Louis J. Richards and his mother, Mrs. Allita Richards, and Mrs. Ruth Apcar. Out-of-town relatives on hand were Mr. and Mrs. Rudy Marengo and Mrs. Nell Purin.

Reception was held at the home of the bride's parents.

The couple, honeymooning in Southern California, will make residence in San Francisco following his discharge from the military this August.

'International' Theme For Wilson PTA Meet

By Mrs. John Walsh

With International Relations as a theme, Woodrow Wilson PTA installed a new slate of officers on Tuesday evening, April 15, beginning with the flag salute led by Steve Passafiume.

During the business meeting, Mrs. Wallace Clark and Mrs. Lawrence J. Meaney were chosen official delegates to the state convention of the CCPT. The convention will be held May 7, 8 and 9 in San Francisco Civic auditorium. Mrs. Robert Van Zandt will be an alternate delegate and Mrs. Arthur Hermosillo, Mrs. Mendel Plansky and Francis Fillbach will act as convention hostesses.

It was announced that Woodrow Wilson PTA had been awarded third place in the recent old-time fashion contest sponsored by J. C. Penney Co. Chosen by public ballot was an outfit once worn by the grandmother of principal Mrs. Ethel B. Hahn. The prize money was presented to the school by the membership.

Acting as installing officer, Mrs. Mendel Plansky charged each new officer with her duties. Installed as president for a second term was Mrs. Wallace R. Clark. Also installed were Mrs. Lawrence Meaney, vice-president; Mrs. Ethel B. Hahn, honorary vice-president; Mrs. Anthony Giammona, recording and corresponding secretary; Mrs. Arthur Hermosillo, treasurer; Mrs. Felix Oliva, auditor and Mrs. Robert Van Zandt, historian.

Completely surprised and thrilled was Passafiume when presented with an Honorary Life Membership. In making the award, Mrs. Arthur Waldvogel, chairman of the Honorary Life Membership committee, spoke of "Steve's dependable and conscientious work for the PTA." Now working in the maintenance department of Jefferson Elementary School district, Passafiume is a charter member of Woodrow Wilson PTA and seldom misses a meeting. He is a veteran volunteer fireman and a World War I veteran. All four of his children are graduates of Woodrow Wilson school.

Presidential awards were presented to Mrs. John Williams, Mrs. Lawrence Meney, Mrs. Arthur Hermosillo, Mrs. John Spittler, Mrs. Paul Shimada and Mrs. James McClung. These citations acknowledge "the extra and special help" given to the president of the unit in carrying on her work during the year.

A primary typewriter was the "big" gift which the unit presented to the school. Used in the kinesthetic method of teaching, the gift was gratefully accepted by the principal, Mrs. Hahn.

Plans were made for the annual teachers' luncheon on April 23, and for the "incoming-outgoing luncheon" on May 14.

REWARDED for her winning performance in the American Legion Essay contest is Susan Taylor, Olympia School fourth grader, receiving trophy from Mrs. B. Christman, of sponsoring Broadmoor Legion Auxiliary 824. Proud onlookers are Mrs. Helen Schober, Susan's teacher, and Principal Marjorie Tobias.

Susan Taylor's Winning Essay: 'American Flag'

Editor's Note: Following is winning Americanism Essay, which won a first place trophy for Susan Taylor, fourth grader at Olympia School, in American Legion Contest, sponsored by Broadmoor Auxiliary 824. She's the daughter of Mr. and Mrs. Glenn H. Taylor, 23 Eastgate drive.

"Our American Flag"

"To me our flag stands not only for our country, liberty and justice, but also for all the people who played a great part in winning our freedom for us so that we might have such a beautiful flag. Sometimes, when I say the Pledge of Allegiance to the flag, I think that if our flag could talk, it could tell us of many great moments in our country's history.

During the Revolutionary War, when George Washington led his small army through the ice and snow and captured a large part of the British Army, our flag must have flown very proudly, indeed. When General Washington became the first president of the United States, our flag must have been as happy as the republic for which it stood.

There are times, too, when our flag has been sad. During the Civil War, when our country was divided and there were two flags flying over America, then the flag must have been unhappy indeed. When that war was over, the flag must have been so happy and shared the joy of President Lincoln that once again our people were living and working together under one flag.

Today many people take our flag for granted. They forget that our ancestors suffered many hardships that it might wave so freely. If we would all think, once in awhile, of what the words of the Pledge of Allegiance really mean, we would all more truly appreciate what our flag stands for."

Seniors have finished planning their graduation activities, which—we hope—everyone will participate in. May 22 will be "Senior Dress-up Day," carried by a theme of song and movies. May 23 is the senior picnic, to be held at Turtlerock Ranch, Walnut Creek. Transportation will be provided. Cost of tickets is $3.50, and will include dinner. Tickets for this affair will be on sale until May 16.

Seniors and mothers will attend on May 28 the Senior Reception, and on the 29, we'll We're Young, at Sir Francis Drake Hotel. The Ball will be from 8:30 to 11:30. Tickets are on sale now for $3.50. Graduation will be held June 11 in the gym. Practices will be held two day prior to this historic event —Westmoor's first.

Seniors recently had an assembly on their military "obligation."

Frosh Doings

The freshmen recently presented their class assembly, which proved to be "one of the best." Participants were the Freshman Band: John Sorenson, John Yust, Jim Yust, Jim Gratis, and Ken Magoon. Commercial: Jim Gray and Rick Landess. Charleston: Heather Vinson and Sharon Flansburg. Organ: Frances Shrump. Pantomine: Pat Hamilton, Val Pierson, and Karen Shroeter. Skits: Dave Golden, Hank Smith, Peggy Johnson, Lony Hartan, and Pat Farris, Francis Teplin, and Sue Roberts.

Westmoor recently was invited to one of Jefferson's executive board meetings — a worthwhile experience.

Junior Day

Westmoor presented its first Junior Day last Friday, which will become a tradition, we hope. Dress was casual, very casual, and the assembly consisted of outside entertainment. In the evening, Juniors presented their dance, "April Showers," with special guest, "The Mask," from KYA. Most awaited moment came when Ellen Cortesi, "Miss Westmoor," was crowned. Contestants for the "Miss Westmoor" contest were picked from senior girls who have done outstanding work for the school. Other candidates for the title were Arleen Anderson, Jackie Willard, Georgia Smith, Peggy Smith, Peggy Jones, Carolyn Brice and Liz Green.

PTA Hears How TV Aids Pupils' Reading Interest

The encouraging idea that television can actually be used constructively without loss of interest in reading by children of school age was offered by Mrs. Ruth Fisher, Jefferson Elementary School District librarian at the last unit meeting of Westlake-Olympia PTA.

Since much television material is taken from literature, the end result is that it often stimulates children's reading. Mrs. Fisher stated that teachers and librarians often find that they can utilize this media and that television viewing is often reflected in book choices.

Also on the program were Mrs. Mae Durham, children's librarian at San Francisco State College, who spoke on the specialized function of a children's librarian and Mrs. Robert Woods, who sketched briefly the aims and purposes of the public library and reported on the progress of plans to build an adequate permanent branch of the Daly City library in Westlake.

Two For Tonight

By Lenore Brewer

Edwin Lester opened his 21st nnual season of civic light era last week with "The ost Happy Fella," filling the urran's stage to overflowing th color and brilliance.

Starring the great operatic aritone Robert Weede, "Most appy Fella," is a musical in day's finest tradition. Taking s inspiration from Sidney oward's sophisticated play of e Twenties, "They Knew hat They Wanted." Loesser as softened much of the earli- work's cynicism while re- ining all its sentimental armth that puts a glow in the art and occasionally a mist ross the eyes. His lyrics are erate, full of surprises and ways in character.

All of this has been wrapped in a musical score that has irit and melody and a force- American sweep, occasion- y embellished by short arkling stretches that remind e of the Italian comic opera hool.

Bashful

Laid in the Napa Valley, Most Happy Fella" tells of ony (Robert Weede) an Itali- winegrower who falls in love ith Rosabella a waitress (Joe ullivan). Too bashful to speak her, he carries on his court- ip by mail, and fearing that 's too old and too ugly to ap- al to one so young and lovely, makes the fatal mistake of nding as his own a picture his lusty young foreman Joe Art Lund).

Lonely and longing for Somebody — Somewhere" to ve, Rosabella accepts his pro- sal of marriage, and although ocked and hurt by the decep- on marries Tony. Her disil- sion leads to a brief interlude ith Joe, with its time-worn sults.

Great Artistry

Weede brings his customary reat artistry, shading his haracterization of Tony with finesse not often found on the ght opera stage; his singing "Mama Mama" at the close Act II has all the power and he glory that he brings to his reat operatic roles. Joe Sulli- an is a lyrical Rosabella, par- icularly effective in "How eautiful the Days," and win- ome and merry in "Happy to Make your Acquaintance."

Rico Froehlich, Arthur Rub- (particularly) and Milton ricka make a wonderful trio "Abbondanza" and "Bene- enuta;" Helen Blount and ean Dittmann lighten the hood with "I Don't Like this ame" and "I Like Everybody."

With the exception of "Stand- g on the Corner" (superbly one by Dean Dittmann, Jack cCann, David London and ardell) there is little that the udience can hum as it goes appily out into the night, but here are untold riches to be avored during the evening.

State Declares Quarantine On Eating Mussels

The yearly quarantine of mussels for human consumption was declared today as a protection to Californians from the highly toxic poison present in the shellfish during the summer and early autumn, according to Dr. Malcolm H. Merrill, state health director.

The quarantine, established along the entire California coastal shore and including San Francisco Bay, will be in effect to October 31, he reported. Mussels may be used for bait during the quarantine period, but must be broken open and placed in containers plainly marked in big print, "For fish bait only. Unfit for human consumption."

The director also warned Californians to be cautious in the preparation of clams for summer meals during this period. He advised that clams should be cleaned and washed thoroughly before cooking and that all dark parts (where poison concentrates during the quarantine period) should be discarded. Only the white meat should be eaten. In addition, clams should be taken from areas free of sewage contamination.

The poison, found in plankton which serves as food for mussels and clams, is an alkaloid such as strychnine and can prove fatal to persons eating the toxic shellfish. California had five cases of mussel poisoning, but no deaths, in 1954, the first reported cases in the state since 1948.

The health officers of the coastal and Bay counties have been instructed to post quarantine warnings covering both mussels and clams.

FIVE EVENTS

Rex Arnott Paces Cub Pack 84 In Fourth Annual 'Junior Olympics'

By Ames Swartsfager

Fifty-three Cub Scouts from Pack 84 competed in the pack's fourth annual "Junior Olympics" at Jefferson High recently, Cubmaster John Williams, reported today.

Of the five events—50-yard dash, kick ball, softball throw, high jump, and broad jump—each Cub participated in four events of his choice.

Each event was divided into age groups and the boys totaling the highest scores in their groups received trophies.

Rex Arnott, Den 9, won the cup in the Wolf section (8 year-olds). He also received more points than any other boy in any group by taking first place in all four events he entered.

Lee Williams, Den 5, and John Heick, Den 8, tied for the cup in the Bear section (9 year-olds).

Jimmy Fitzpatrick, Den 8, won the trophy for the most overall points in the Lion group (10 year-olds). With Dave Dempsey and Frank Bennett tieing for the trophy in the Webelo group (10½ year-olds).

First, second, and third ribbons were also awarded to the boys who placed in each event.

In the Wolf section Rex Arnott, Den 9, placed first in the 50-yard dash, kick ball, softball throw, and broad jump; Jim Hess, Den 5, placed first in the high jump event, second in kick ball, third in the broad jump; Tom Crofton, Den 4, got third in the high jump; Richard Orloff, Den 2, third in the 50-yard dash, and Mario Rizzo, Den 2, third in the softball throw; Ricky Fitzgerald, Den 5, second in the 50-yard dash, high jump, third in kick ball; Larry Landess, Den 9, second in softball throw, and broad jump.

In the Bear group, Lee Williams, Den 5, placed first in the 50-yard dash, and high jump, second in kick ball, third in the softball throw; John Heick, Den 8, placed first in the broad jump, second in the 50-yard dash, softball throw, and high jump; David Somers, Den 8, placed first in kick ball, and the softball throw, and took third in the 50-yard dash. Kenny Phillips, Den 4, received second place in the broad jump and third in kick ball and the high jump. Richard Carpenter, Den 8, got third place in the broad jump.

Jimmy Fitzpatrick, Den 8, placed first in the 50-yard dash, high jump, and broad jump, and third in kick ball; Alan Newcomb, Den 5, placed first in the softball toss, and kick ball, with a second in the broad jump, and third in the dash. Gerald Krawetz, Den 2, took second place in the dash, kick ball, softball throw, and high jump events. All three boys were in the Lion division.

In the Webelo division, Dave Dempsey took first place in the high jump, and second place in the broad jump. Frank Bennett captured first place in the 75-yard dash (run in the Webelo division in place of the 50-yard dash), and second place in the high jump. Bill Eagleton placed first in the kick ball event and third in the softball throw, and high jump.

Russ Storbo took first in the broad jump and third in the 75-yard dash; Mike Land, first place in the softball throw, third in the broad jump. John Arnott, second place in the 75-yarder, and third place in the kick ball event. Mike Rizzo, placed second in the softball throw, and Dick Crofton second in the kick ball event. All were in the Webelo division.

"The Webelos provided the best competition, but all the groups had very good events," Williams said.

"Pack 84 started the olympics in 1954 and has held them annually since," Williams said. "I think that it is healthy for boys of this age to compete against one another. It will prepare them to meet the competitions of life, school, and play," Williams stated.

Talented Tapia Tosses Tribe Towards Title Test

Cap Still Unbeaten

'PITCHING PAUL' NIPS KNIGHTS; MATEANS HOST SURGING INJUNS

By Roy Hurlbert

Come-through Paul Tapia and his Jeff High varsity mates continue their uphill Peninsula League title quest this Friday when the second place locals collide with vastly improved San Mateo down the road.

PENINSULA LEAGUE (Varsity Baseball)	W	L
Capuchino	8	0
JEFFERSON	5	2
Hillsdale	5	3
South SF	4	5
Burlingame	3	5
San Mateo	2	6
WESTMOOR	1	7

(Games This Friday)
Jeff at San Mateo
South SF at Westmoor

Back of unconquered Capuchino (8-0) by 2½ games, Coach Steve Mezzera's Indians have a slim chance for the flag with five games to go. But with Lefty Larry Weber and Gene Tagliaferri pitching like wildfire, the San Brunans don't figure to falter.

Tapia notched his fourth mound win in six starts Friday as he slapped three hits and held Hillsdale to two singles here for a 2-1 Tribe triumph. Skip and Ricky Redman tossed for the losers, who dropped to third spot.

Gene Firth and Jerry Kennedy got the other Jeff hits. Kennedy is in line for all-league catching honors.

Tapia can't afford to let up against the sixth place Mateans. The latter have won two straight, 8-2 over Westmoor and 6-0 Tuesday over Hillsdale.

Next week Jeff meets Burlingame on Tuesday and South City on Friday—both away tilts. On May 23 the Tribe faces Westmoor, followed by the season-closer, May 27, against Hillsdale.

Mezzera has been alternating Bob Strassburger and Wayne Lewis at shortstop. Rest of his lineup is strong and steady.

Shutouts Mark Softball Action

City Intermediate Softball League play Saturday found Colma and the Police Athletic League squads posting 7-0 victories over Crocker and Community Center, respectively, in the 7th grade loop.

Westlake-Ben Franklin result was not known.

In the 8th grade loop, the PALs blanked Colma, 5-0, and Mike Tarens' homer paced Olympia past Crocker, 5-3.

Action resumes Saturday.

A 3-1 VERDICT

Burlingame Tumbles Rams Into Basement

A 3-1 loss to righthander Tony Broadwood and Burlingame Tuesday tumbled Westmoor's varsity Rams into the Peninsula League basement.

Last Friday, Coach Rod Losberger's weak-hitting Daly City nine was bumped by then winless San Mateo, 8-2. The victors are the most improved club in the circuit.

Ray West and Bob Goodwin shared hill labors against the Mateans. Dave Simons went all the way for Westmoor versus Blingum.

In the two games, the Rams got a total of only seven hits—their drawback all season. Catcher Tom McHugh, however, is among the league leaders in batting.

Lone Ram win in eight league starts was over South City, early in the campaign.

LEAGUE FINALS

Jeff High Swimmers Capture Ten Medals

Jeff High swimmers brought home 10 medals Friday from the Peninsula League championship meet at Capuchino.

Coach Joe McGrath's locals finished fourth in varsity and fifth in the C bracket.

Outstanding effort was that of Hillsdale soph Buddy Stickles, who amazed with a 55.4 seconds clocking in the B division 100-yard freestyle. This set a new league mark and bettered times of varsity points, last in the B division, performers.

For Jeff's varsity, Captain Fred Howard was second in the 150-medley, John Elliott was third in 100-freestyle, and Dick Erickson was third in the 400-freestyle. Henry Abbott took second in varsity diving, with teammate Art Glover third.

Jim Ahern of the Indian B's got third in the 75-yard individual medley and second in the 50-yard butterfly.

In C action, Jeff won the medley relay in 1:02 with Steve Lyons, Dick Curry, Bob Johnsen and Gary Cinti.

Curry set a loop record for the 50-yard backstroke in 34:5. Johansen was third in the 50-butterfly.

VICTORS' SPOILS — Vince & Fred's championship bowlers will soon have to build a trophy room. Table deposits represent their haul for winning '58 DC-Colma League at Brentwood. Left to right: Ernie Cool, Ed Ebinger, Bill Flagg, Vince Merlo, Ray Cool. Sixth man is John Palazzari.

SHOWDOWN IS FRIDAY

Jeff Thinclads Eye Loop Championship

One of Jeff High's better varsity track squads this Friday will be out for the Peninsula League championship in finals at Burlingame.

Trials Tuesday at the same oval gave Coach Bob Watt an optimistic outlook for the all-loop showdown.

In just about all the running events Jeff stands a chance to finish in front.

Indian strength is with the flying feet of Sonny Martinez in the 100 and 220, Len Lamendola in the 440, Felix Valdez in the half mile, and milers Don Snider and Charles Rivera.

Watt's 880 relay unit (Doug Burch - Pete Garcia - Lamendola - Martinez) broke a school record Tuesday and could bust a league mark this Friday. Their time in the trials was a blazing 1:31.5.

In field events, Dennis Marc, who hit 6-4 Saturday in an exhibition at San Jose, will be going for a league best in the high jump. He has hit 6-4 twice this year and could develop as one of the nation's better college performers.

Soph Jim Drake, another school record breaker, will be up there in the shot and discus.

Martinez whizzed to a 10:2 century Tuesday to beat Burlingame's Greg Stikes. Sonny Mike Joseph, 220; Dave Vogl, broad jump and pole vault; Lanny Bucelli, mile, and Jim Lansing, shotput and discus.

Rich Blakemore captured the division 660 and Roger Johnson won the broad jump at 19-2½.

Following All-Peninsula finals this week, Ribera will take select boys to the Hollister Relays (May 29) and the Modesto Relays (May 31).

Next year he'll have all his present B's and C's back—a promising outlook.

Mike Pechina and Dave Butler will try the pole vault. Connie Eames will jump with Marc, and Drake's shot and discus mates will be Neil Dunford, John Dean, Bob Nielson, Gary Monyhun.

Martinez, Arnold Pollard and Skip Sailor will share broad jump tries for Jeff.

Dashman John Margaron and 660-specialist Joe Vaez are Watt's best in the C division.

Tuesday's class B winner was Burlingame, with San Mateo taking the C's.

The young Rams, playing their first season of Peninsula League ball, have lost several close tilts. Coach Rod Losberger is especially pleased with McHugh, his catcher, who is gunning for the league batting championship.

Markovich said advance sales for the affair are way above last year, and that more prizes—60—will be offered this time.

Twosomes and foursomes can start anytime after 8 a.m. and 1:30 p.m. on June 5.

Brisbane Rod & Gun Club's regular "Ham & Bacon" shoot is set for this Sunday, starting at 10 a.m., on the range near the Half Moon Bay airport, between Princeton and Montara.

Del Sweet, range officer, welcomes the public.

BOXING EXHIBITIONS

PAL Kids Mix Friday With San Bruno Boys

Daly City Police Athletic League boxers this Friday night go after their second victory when they invade San Bruno to toss leather with that community's boys' club.

PAL boss John Coleman said the Daly City squad, victorious recently over Vallemar BC, is in "top shape" for the exhibitions.

Coaches Ed Beecher, Wayne Carr, Jim Crudo, Bill Chalmers, Steve Passafiume and Louis Matteucci will send the following DC-area boys into action:

Albert Lajan, Joe Chavez, fierce Joe Fierce, Gary Beecher, Jim Kearney, Mike Crudo, Lloyd Guillory, Rollie Carr, Richard Nunes, Mike Kearney and Sam Ennon.

The PAL now conducts supervised wrestling classes for boys on Tuesday and Wednesday nights at Westmoor High gym, and on Thursday evenings at Jeff High gymnasium. Bob Malcolm is the head instructor.

Coleman's organization also has two teams in the City Midget Baseball League, and is planning softball squads for summer action.

Midget League

Midget League Baseball at its best opened in Daly City last week as 10 teams lifted the lid before good crowds at Westlake Park and Colma's Trojan field

Portola Yankees and Columbia Park Boys Club, two loaded SF outfirts, registered shutouts. Portola downed Parkmerced, 10-5, and the Columbians blanked DC Police Athletic League squad No. 2, 12-0.

Westlake Flying A beat the DC Reds, 7-3; PAL No. 1 zeroed the Matsox, 12-0, and BYA tripped San Pedro Lunch, 5-1.

Westmoor-Lincoln Tilt Ends 4-All

Westmoor and Lincoln of San Francisco battled to a 4-4 tie last week in a seven-inning practice game marred by heavy winds at the Rams' diamond.

Coach Rod Losberger used seniors exclusively and the visitors played mostly reserves. Bob Goodwin hurled for the locals. Gary Huston's three hits led the Rams at the plate. Bill Reynolds got two singles.

BRUCE RYNER SIZZLES

Ram Tracksters Dump Hillsdale In Finale

Westmoor High's surprising "first-year" track and fielders completed their dual meet season last week by defeating Hillsdale in all three divisions.

Coach Ernie Ribera's DC squad won the varsity, 79-24; the B's, 63-50, and the C's, 67½-18½. All three Ram units wound up the Peninsula League campaign with 2-4 marks.

Bruce Ryner's blazing 1:59.7 half-mile, best in the league, featured the varsity romp. Ed Cyr hit 2:08 for second place.

Other Ram first-placers:

LITTLE but mighty for Jeff High's C division tracksters is John Margaroni, specialist in the 75 and 150-yard dashes. One of the smallest Indians under the command of Chief Bob Watt, the Boston-born lad also moves swiftly in football at halfback. He's a competitor all the way.
